Goal of Database

**SWISS
LIFE SCIENCES
DATABASE**

- **Overview of the Swiss Life Sciences and Biotech Industry**
- **Transparency, nationally as well as internationally**
- **Promote Switzerland as one Biotech hub**
- **Have accurate statistics available**

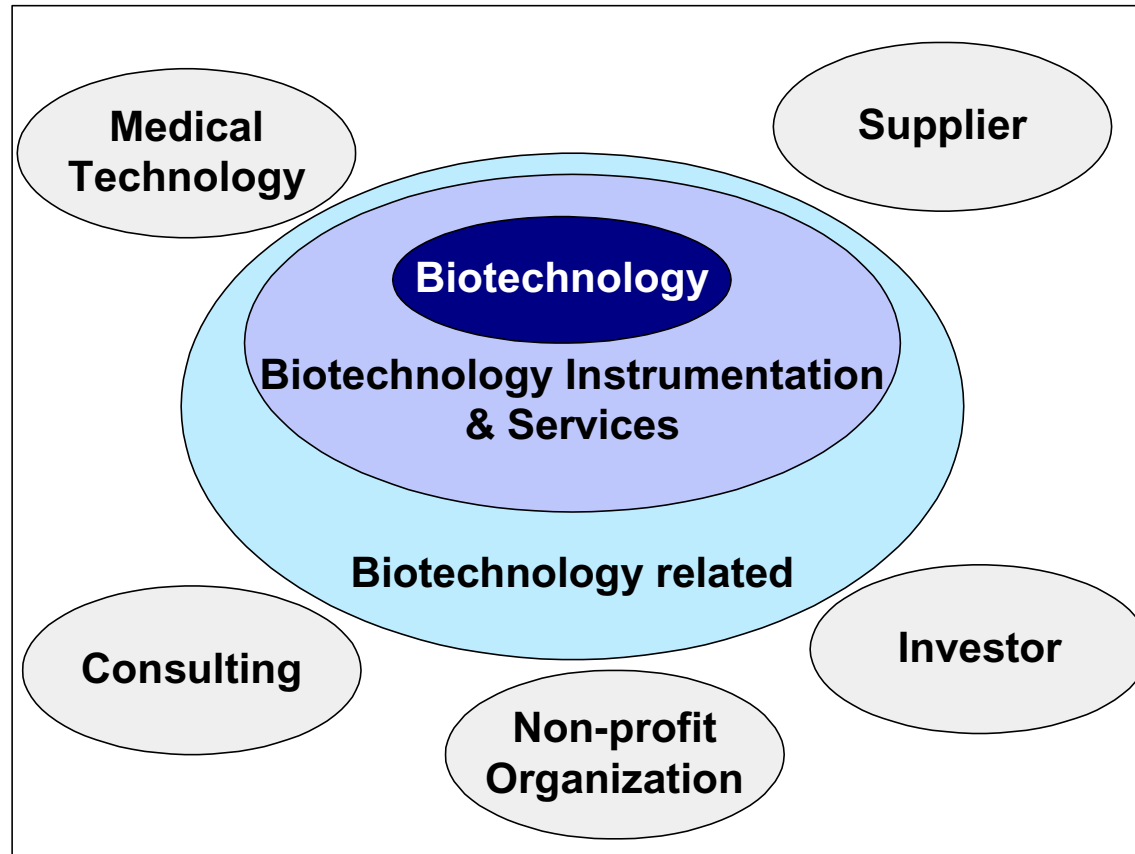

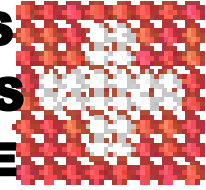

Database Content

- Categorization (including sub categories)
- Basic Information
- Targeted disease areas
- Business model
- Money raised
-

Swiss Life Sciences

**SWISS
LIFE SCIENCES
DATABASE**

- **Database with 630 Swiss companies**
- **Organizations active in the Life Sciences area**
- **Main focus on Biotechnology**
